

Morgan County Library Launches Website

The Morgan County Library has officially launched a brand-new, first-ever website for the use of patrons and friends of the library.

The website, accessed at morgancountylibrary.org contains information about Library Programs, upcoming events and general library information. It also has a section for Friends of the Library, including Friends monthly minutes, and a Children's library page.

"We also want to begin posting suggested reading," says Librarian Nita Loganbill. "People are always asking us what's good, so watch for our picks to be posted in the coming weeks."

The new website was a gift to

the Library from the Friends of the Library, an organization that exists to support library staff and programs. The Friends' main fundraiser is the annual Friends Book Sale, to be held this year on April 29 and 30. For more information - watch the website!

Members of the Versailles Chamber of Commerce and members of Morgan County Library Friends cut the ribbon to make the Library's membership in the Versailles Chamber official. Leslie Mooney and DeAnna Lucas hold the ribbon for Friends President Mary Jo Jackson to cut. Pictured with them are from left, Anita Jacks, Susan Kirkpatrick, Walter Cadue, Dorothy Batson, Jim Dykzuel and Luke Campbell and Lois Viebock.
